## WORK EXPERIENCE

- ✕ **CENTER FOR OPEN SCIENCE** / 2015 - PRESENT  
**FULL STACK SOFTWARE DEVELOPER:** COS is a non-profit technology company providing free and open services to increase inclusivity and transparency of research. My work is primarily on the Open Science Framework, a research tool for scientists to publish, share, and collaborate throughout the entire scientific process. Within COS, I try and focus on UI/UX, working with our "Community" team to try and better understand the user, to build a better product.
- ✕ **BILLY HUNT MOBILE APP DEVELOPMENT, PHOTOGRAPHY, & VIDEO** / JAN 2002 - MAR 2015  
**OWNER:** Created and grew a full-service media company able to produce mobile applications as well as quality imagery and video for television, web, and film. Consulted with businesses on the use of social media to build brand awareness. Managed crews of up to 25 people. Delivered projects on time and on budget to clients all over the world, including John Grisham, The Dave Matthews Band, Adult Swim, BUST magazine, Modern Luxury, The Washington Post, The Wall Street Journal, The Guardian, The New York Post, More magazine, Virginia Living magazine, Urban Ink, and a ton of cool bands, people, and businesses.

### PERSONAL SKILLS

### AMERICA ONLINE / 1995 - 1999

QUALITY ASSURANCE ENGINEER: Tested software for the largest Internet company in the world during its heyday. Oversaw the server side of AOL's finance tools and web server, building test cases, automating processes, and tracking the progress of code development. I worked with programmers, technical writers, marketers, and project managers.

### PROFESSIONAL SKILLS
